Notice of Public Comment on Draft Permit
Park City Soils Management Facility Class I Landfill

Park City Municipal Corporation has submitted a permit application to operate a Class I Landfill in Summit County, Utah. Property for the proposed Park City Soils Management Landfill is owned by Park City Municipal Corporation and is located approximately 2.5 miles northeast of Park City on Highway 248. The proposed landfill will receive potentially contaminated soils generated from construction projects located within the Park City Soil Ordinance Boundary. The permit application has been reviewed by the Division of Waste Management and Radiation Control for compliance with the Solid Waste Management Rules and a draft permit has been prepared by the Director of the Division of Waste Management and Radiation Control. The Director is soliciting comments on the permit application and the draft permit in relation to their compliance with the Solid Waste Management Rules. R315-311-3 of the Utah Administrative Code provides for a public comment period to receive comments on the renewal application and draft permit prior to final action by the Director.

The public comment period to receive comments on the draft permit will commence on April 5, 2021 and end on May 4, 2021.

Documents related to this application can be reviewed at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, UT 84116

Additionally, copies of the draft permit and permit application are available on the Internet at <https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>

Written comments will be accepted if received by 5:00 p.m. on May 4, 2021. Comments should be submitted to the address below, be hand delivered to the Division address above or be submitted by electronic mail as detailed below.

Comments can also be sent by electronic mail to: "dwmrpublic@utah.gov". Comments sent in electronic format should be identified by putting the following in the subject line: Public Comment on Park City Soils Management Facility Class I Landfill Draft Permit

All documents included in comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5 a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment

period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.

For further information contact Doug Taylor of the Division of Waste Management and Radiation Control at (801) 536-0240.
